## The Wine Club

For people who enjoy discovering new wines, meeting new folks, and getting a few VIP-style benefits along the way!

The Grape Life Wine Club is all about discovering great wines with great people—without taking ourselves too seriously. We make exploring new bottles fun, approachable, and occasionally hilarious (especially when someone confidently describes a wine as “giving off strong Tuesday energy”).

What makes our club unique? *You* help choose each month’s wines. Our member-only tasting nights are where opinions are shared, favorites are debated, and winning bottles earn their spot fair and square. Around here, wine selections aren’t made in a back room... they’re chosen by the very people who drink them. (Democracy at its tastiest!)

### Why Our Wine Club Is Unlike Anything Else in the Quad Cities:

- Member-Only Tasting Nights: You sip, you vote, we pretend not to eavesdrop on your tasting notes.
- A Welcoming Community: No snobbery—just people who love good wine and a good laugh.
- Hand-Selected Wines: Unique bottles with real character (like us), curated from around the world.
- Useful Perks: Discounts on events, classes, merchandise, and 10% off any purchase of six bottles or more.
- Early Access to Special Events: First dibs on limited bottles, ticketed happenings, and the good seats.
- A Birthday Treat: Enjoy one complimentary glass of wine during your birth month—because we believe in celebrating properly.

Join the club that keeps wine fun, inclusive, and always interesting. Try new wines, meet new people, and enjoy the perks of being part of something delicious.
